England Elementary Spelling Bee (2018 -19)

Every year England PTA conducts Scripps National Spelling Bee to determine the school Champion. The School Champion advances to the next level of Scripps Spelling Bee Competition.

Spelling Bee is a fun way to improve your child's spelling skills.

Spelling Bee Competition is conducted in 2 steps.

First, the student participates in the class bee competition which will be conducted in the classroom by the teachers. Next, the qualifying students compete at the school level. School Champion advances to the next level of competition.

The competition is open to all 4th and 5th graders.

If your student wants to opt out of the competition please send an email to the teacher.

Attached is the Class Bee list for your students to prepare for the Class Bee.

For any questions please email Rasna_kukreja@yahoo.com
